* Our rating system is the same as the USATT Rating Processing System. Please see the USATT official website for details www.usatt.org.

* Our doubles rating system is derived from the USATT Rating Processing System. We will use the average rating of each doubles pair to calculate the rating result. Both doubles partners will gain or lose the same points. Note: A player's doubles rating is independent of his/her singles rating.

* Every week's round robin result will be manually entered into our rating processing system. If you found out a processing mistake, please inform us before the next round robin.
